

CHECKFIRE WARRANTY STATEMENT

CheckFire Limited warrants that all goods detailed below manufactured for or by CheckFire Ltd will be free from defect in materials or workmanship under conditions of normal use for a period of 5 years. Warranty begins at the date of manufacture and extends to a period of 5 years.

Products covered by this warranty are:

- Commander Fire Extinguishers
- CommanderEdge Fire Extinguishers
- Contempo Fire Extinguishers

The warranty covers manufacturing defects and product defects that are the result of the manufacturer’s design errors.

This warranty will be valid only if it can be evidenced that extinguishers have been installed, regularly serviced and repaired or refilled to the manufacturer’s instructions by a competent technician in accordance with the requirement of BS 5306. Replacement parts or consumables fitted subsequent to manufacture in the course of maintenance are not covered by this warranty.

The warranty expressly excludes:

- Damage caused by incorrect handling of a product
- Accidental damage or misuse of a product
- Defect or deterioration due to lack of maintenance
- Repairs or modifications made after manufacture
- Damage caused by heat, weather or environmental conditions
- Products installed or used in an unsuitable location

The warranty also excludes any consequential loss due to the product or its failure or malfunction. CheckFire Ltd shall not be liable for defects attributed to normal wear and tear, improper handling or storage, corrosion, use or maintenance. The warranty is void if extinguishers are modified or altered after manufacture.

This warranty is exclusive. CheckFire Ltd will, at its own discretion, repair or replace any extinguisher that becomes defective due to faulty materials within the time period stated above. In no event shall any refund or liability exceed the purchase price originally paid for the product.
